### SUPREME GRAND CHAPTER & GRAND MARK

#### **IMPORTANT CIRCULAR TO ALL ATTENDEES**

#### **‘Together We Build’ Grand Installations Supreme Grand Chapter and Grand Mark 1 – 3 April 2022**

Greetings Brethren, Companions, Ladies,

Please be advised that a significant number of Brethren, Companions and Ladies who attended the ‘Together We Build’ Grand Installations of Supreme Grand Chapter and Grand Mark 1 – 3 April 2022 at the Pullman Hotel have now tested positive for Covid-19 and are in isolation.

It is strongly suggested that any Brother, Companion or Lady who is feeling unwell should immediately have a test (RAT or PCR) to determine if they are positive or otherwise. It is also suggested that even if you are not feeling unwell, but attended the Grand Installations or associated functions, that it may be wise to take a test for peace of mind.

I personally, and on behalf of Supreme Grand Chapter and Grand Mark apologise for the inconvenience that a positive test will cause you and your family.

I am only too well aware that many Brethren, Companions and Ladies individually went to some length to safeguard their health and this outbreak is most disappointing. Again, if any Brother, Companion or Lady is feeling unwell then they should immediately have a test (RAT or PCR) to determine if they are positive or otherwise. If your test does return positive, then you are required to follow all Health Regulations as set down on the Victorian Government website.

I again apologise on behalf of Supreme Grand Chapter and Grand Mark for any inconvenience that this outbreak has caused.
