ADDRESS BY THE GRAND MASTER

Brethren,

This past year has been trying for everyone and our best laid plans have often gone astray! We live in optimism that the coming year will be safer, happier and less of a challenge than the past two years.

Last year there was little opportunity for me to thank MWBro Peter Julier, PGM and Lyn for their mentoring and support over the previous three years. Thank you both for your ever-patient support and your friendship. I also extend my sincere thanks to RWBro Ron Goodburn, DGM and Pauline for putting up with our calls on Ron's time.

The United Grand Lodge of Mark Master Masons of Victoria

To the outgoing Grand Team, I thank you most sincerely for your support and ready co-operation during the past 12 months; you proved a great team well up to responding to difficult and frustrating times. To RWBro Rob Redman and RWBro Paul Rigby, our Grand Wardens over the past year, thank you for the excellent ceremonial work and the leadership you provided the Team. To VWBro John Blyth, WBro Terry Clifton and WBro Alex Thomson, our Grand Directors, who provided vital leadership to the Team during the year and for this ceremony today - thank you!

It's also important that we extend our thanks to RWBro Ken McRae, PDGCmdr and RWBro Arthur Williams who organized our small but talented Ark Enthronement Team and to that Team for their passion and commitment to the Ark Mariner Degree.

I'd be remiss if I didn't thank our PGMs and PDGMs for their ongoing and patient guidance and support.

Our Orders are extremely fortunate to be administered by an incredibly knowledgeable and efficient Grand Secretary; RWBro Wayne, thank you for your dedication and good humour. I extend my thanks to our other administrative team member Bro Craig Spendlove. Craig, your boundless enthusiasm and dedication know no bounds. Thank you for your work!

Brethren all, I thank you and your families for having the patience to allow you to assist me in strengthening and growing our Orders.

Penny, I don't ever say thank you often enough. Thank you for all of your support and never-ending patience.

The Mark, Ark Mariner and Royal Arch degrees work incredibly closely together, and I thank MEmComp John Ives, GZ for his commitment to our close association. Kaye, thank you for your support and assistance; we make a great team of four!

Brethren, what of the future? Let's consider carefully how our Board of General Purposes can become a truly representative Board that works actively and strategically to plan for the future. We also need to consider carefully how we can ensure that our lodges can best meet the needs of their membership and ensure that every member is cared for and has the best possible Masonic experience. COVID has taught us that we can do things differently and better. Let's continue to apply that level of creativity and optimism to the years ahead.

I look forward to growing and enhancing our fraternal links with our other Masonic bodies meeting in Victoria and with our interstate and overseas Brethren and Companions.

Lastly, to today's Team members, thank you for weathering all of the COVID related changes, thinking on your feet and keeping a smile on your faces. The ceremony has been a credit to you all.

William Jones
Grand Master

(Postscript: COVID has been an unwelcome visitor to our Grand Installations. I trust that all who have been impacted recover rapidly and completely. The Grand Installations should not be defined by COVID but by the rich ceremonial and the opportunities to spend time together and enhance our Orders.)
